Subject: Funding for Solution Area Planner (SAP)

Attention: **Local and District Emergency Management Coordinators**

The U.S. Department of Homeland Security (DHS), Office for Domestic Preparedness (ODP) Fiscal Year (FY) 2003 State Homeland Security Assessment and Strategy (SHSAS) process allowed local jurisdictions to update their needs assessment data to reflect post-September 11, 2001, realities, as well as identify progress on the priorities of their initial homeland security strategies.

Many local programs have also expressed to the Emergency Management Division (EMD) the need to have funding for personnel support to help in their homeland security efforts. In response to these requests and to support implementation of the SHSAS solution areas, the Emergency Management Division is pleased to announce the availability of funding for eligible local jurisdictions that participated in the SHSAS to bring on board a staff position for a Solution Area Planner (SAP). This financial assistance is being offered through the FY 2003 State Homeland Security Grant Program (SHSGP) Part II. Sustainment of this position may be available through the 2004 SHSGP funding if the jurisdiction chooses to do SO.

Funds may be used to pay for staff activities associated with planning, evaluation, and analysis of program elements in the SHSAS solution areas of equipment acquisition, training, exercising, planning, and organization for the jurisdiction's Homeland Security Strategy. This includes hiring full or part-time staff or a contractor to conduct the necessary activities for successful completion of the strategy. See the attached allocation table for the amount being provided to your jurisdiction.

As part of the grant agreement for the Solution Area Planner, each jurisdiction will be required to provide the Emergency Management Division with a job description that details the duties and responsibilities of the SAP. This job description is being required as part of the approval process for the sub-grants and is an action that was strongly recommended to the state by the Office of Domestic Preparedness for grant monitoring purposes. Attached is recommended language for the duties and abilities that should be incorporated into your local SAP position description. Additionally, the grant agreement provides for quarterly reimbursement and reporting of SAP activities in support of the jurisdiction's homeland security efforts.

The Solution Area Planner grant agreement package will be mailed out to each participating jurisdiction this week. After receiving the grant agreement package, please have all required documents signed and return to David Lundquist in the Emergency Management Division by January 31, 2004. Questions regarding the Solution Area Planner position or allocation may be directed to Mark Wesley at 517-333-5023 or wesleym@michigan.gov. Questions regarding the grant agreement package may be directed to David Lundquist at 517-324-2386 or lundquid@michigan.gov.

Sincerely.

JOHN ORT, CAPTAIN

Deputy State Director of Homeland Security and Emergency Management
